## NPA E-MAILER BAG **GUSSET**

A collection of five brown paper e-mailer bags of various sizes, some with double sealing strips and perforations. The bags are arranged on a white reflective surface against a white background.

Perforation between sealing strip for easy opening!

Double sealing strip for return shipments!

The obvious choice vs. plastic, what the receiver will expect,  
**sustainable & modern.**

The mark of responsible forestry

The choice is not between sustainability and cost efficiency -

The choice is **NPA E-mailer Bag!**

**NPA E-mailer bag** is made without any plastic component, so it is completely recyclable and also biodegradable. At the end of its usable life it can be recovered as raw material. Equipped with 2 adhesive strips and a tear strip, this bag is ideal for ecommerce businesses. Easy to pack and close, easy to open and reclose – in case of return shipments. Consumers will appreciate the ease of it.

As consignor, you are reducing packaging material, volume, weight and freight cost, compared to using oversized boxes. By using a recyclable paper bag, you will also reduce your environmental footprint.

**NPA E-mailer bag** is ideal for goods, which do not require a solid box or which are prepacked, such as clothing, shoes, accessories, cosmetics, consumer electronics and much more.

Water repellent and resistant
