

Xerox Equipment Owners
100% Performance Guarantee

Xerox offers a 100% Performance Guarantee for any paper or media that is featured on the Recommended Media List for a specific Xerox printer or digital press. This is your assurance that if you are unhappy with the performance of recommended Xerox paper or media, we will take back the unused product and replace it or refund your money – guaranteed. No problem.

Non-Xerox Equipment Owners
100% Customer Satisfaction Guarantee

Xerox Premium Digital Carbonless Paper is specifically designed for use in high-speed xerographic copiers and printers, including HP Indigo, Kodak NexPress and all other dry toner devices from desktop to production presses.*

If, for any reason, you are dissatisfied with Xerox Premium Digital Carbonless Paper under normal conditions, Xerox will, at your option, provide technical support to help resolve the problem, replace the product, or refund the cost of the product. This is our unconditional guarantee.

Trust Xerox Premium Digital Carbonless Paper for all your carbonless paper needs.

*Unless your device is not designed for carbonless paper.

Premium Digital
Carbonless Paper
Guaranteed for all digital
forms printing

Xerox Premium Digital Carbonless Paper

Optimised for all digital printing

Printing forms on-demand has never been easier. One product does it all – helping you save money, increase flexibility and improve productivity. Create a wide variety of forms with digital print features including barcodes, logos, sequential numbering and any amount of variable data or personalisation.

- Guaranteed for all digital printers, including HP Indigo, and Kodak NexPress
- Fantastic results in colour and mono printers
- Benchmark image legibility on multi-part forms
- Great runnability – load the trays and let it run
- Clean running
- Superior toner adhesion and colour reproduction
