

## PRODUCT INFORMATION

SUN-FLEX® OFFICECHAIR MB was created to meet the changes and new needs that arise in today's workplaces without compromising ergonomics. With high-quality details that optimize ergonomics, enhance flexibility, and provide superior seating comfort, SUN-FLEX® OFFICECHAIR MB offers users a range of options.

The supportive, sturdy, adjustable, and soft backrest provides full-contact support with superior comfort and ergonomics. It supports the entire back, from the lumbar region to the upper back, which helps reduce strain on the spine and promotes a natural sitting posture. By supporting the entire back, the backrest ensures even pressure distribution and relieves muscle strain, reducing the risk of back pain and stiffness. The soft yet supportive seat ensures comfort, promotes proper posture, reduces fatigue, improves productivity and can help prevent health problems.

Flexibility and the ability for individual adjustments are key features, and with SUN-FLEX® OFFICECHAIR MB, you can easily and intuitively adjust the chair to your personal needs. It offers an height adjustable backrest, open or locked tilt mechanism, seat depth adjustment and 4D armrests.

When the chair is properly adjusted, it provides a sitting experience beyond the ordinary!

## SPECIFICATIONS

- |                          |  |                               |  |
