Product Description

The best raw material (virgin) quality and the special production method for the Supersack allow a reduction in thickness of up to 50% without compromising on quality and strength. The supersack is approved for food and therefore suitable for all types of food. The sack is 100% odorless and a strong double bottom sealing protects against leakage. The sack fits the 60 l Sækko-Boy stand and is suitable for collecting mixed waste.
